

We have immediate part-time opportunities for Market Representatives to work in a retail setting in Maple Shade, NJ. This opportunity is ideal for high school and college students.

What are the job responsibilities? Our employees work in a retail environment where they will identify potential customers, discuss solar energy and Spectrum Energy, Inc, if the customer is interested in converting to solar energy they go to the next step in the process. Which is gathering the contact information of the potential customer. It's that simple. Not a high pressure role.
